

June 30, 2010

To all HMGS Members,

First and Foremost, Let me thank the election committee (John Snead and Mitch Osborne) for their assistance in running the election. Second, everyone should thank all the candidates for running and making the many hours of commitment required of the board members over the next two years.

With that said and on behalf of the Election Committee and your Board of Directors, please join us in congratulating **Eric Shanoltz**, **Louis Desy Jr.**, and **Paul Delaney** on their election to serve on the board.

I am happy to present the election results as follows:

**HMGS 2010 ELECTION RESULTS, AS CERTIFIED BY
KAHN, BERMAN, SOLOMON, TAIBEL & MOGOL, PA
JUNE 25, 2010 2:00 P.M.**

Summary of Ballots Received or Returned

There were 245 ballots received in this office postmarked no later than June 4, 2010. There were 5 ballots returned unopened by the post office marked as undeliverable or return to sender. No ballots were received with a postmark later than June 4, 2010.

Verification of Ballots and Counting Procedure

1. Each ballot was examined by two people at different times to validate the name, membership number, and unique ballot number to ensure a legal ballot. One ballot was disqualified.
2. All legal ballots were examined by two people for irregularities in voting which would cause exclusion from vote counting. The result of this examination was that one ballot was not counted due to failure to sign the ballot. The invalid and therefore, not counted, ballots did not change the outcome of the election.
3. All valid ballots were counted three times and all totals were crosschecked.

Certification of Election Results

We did not encounter any discrepancies other than noted in item 2 above which we consider to be immaterial. Therefore, we confirm, to the best of our knowledge and belief, the election results, as follows, are accurate and complete.

Candidate	Vote Count	Candidate	Vote Count
Eric G. Shanoltz	117	Dan Murawski	76
Louis J. Desy Jr.	115	Orest R. Swystun	66
Paul Delaney	112	Write Ins (2 votes)	2
