

HMGS East Press and News Release

21 January 2009

NEW "FALL IN!" DIRECTOR /// RELEASE 21 JAN 2009 //////////

To: HMGS Members, Convention Attendees, and the Historical Miniatures Gaming Industry.

From: HMGS East Board of Directors,

Subject: New Convention Director -- HMGS East "FALL IN!"

1. We would like to wish ALL HMGS Chapter members, convention attendees, and our Historical Miniatures Gaming industry a Happy New Year for 2009 --- Historicon's 25th Anniversary year.
2. We note that as of 01 JAN 2009, the new [volunteer] Convention Director (CD) for HMGS East "FALL-IN!" is Andy Turlington. The BoD considered several nominees with HMGS East Convention management experience, and selected Andy based on his efforts as Fall-In! Events Manager. Please all welcome Andy as he works to see "FALL-IN!" continue to grow and prosper. Anyone seeking to support Andy's volunteer team -- ESPECIALLY AS EVENTS MANAGER -- please email him at Director@Fall-in.org.
3. Please all join us in thanking Jim McWee for his diligent service and success as "FALL-IN!" Convention Director for the past two years. The BoD has appointed Jim as "Chapter Convention Registration Officer." He is now working to develop and implement a new Convention Registration System for all three HMGS East conventions. This is no small task, as our current process can no longer meet our needs for convention quality. We are confident Jim's professional expertise and past CD experience will render successful results for HMGS East.

On behalf of the HMGS East BoD *
